GENERAL DISCLAIMER

DEVIATION: Please note that there are deviations inherent to the printing materials and techniques. The deviations are within standard industry tolerance and hereby deemed acceptable by customers.

COLORS: Please note that the dye sublimation printing is similar to digital photo printing. Due to technical limitation, a certain deviation of color might be unavoidable, especially for gradient color. Some special effects, such as neon or metal, are not applicable. If you have a dominant color, please provide the PANTONE number and we will try to match it. If color accuracy is of extreme importance to you, please ask for a sample proof before mass production begins (charges apply).

DIMENSIONS: Please allow a length deviation of +/-5mm.

POSITIONS OF DESIGNS: Please allow deviations of +/-1mm (vertical) and +/-5mm (horizontal) from your artwork.

SPECIFIC DISCLAIMER

- Please note that the product color might be different from the color displayed on your screen. Please refer to the above general disclaimer regarding color.

- Please note that due to technical limitations, the position of the printed images might not be exactly in the middle but with a deviation of +/-1mm (vertical) for all full color printed images. The final product may look like this:

- Please note that in order to fit to the product size, certain parts of your design on the scale-down version might be illegible.

ACKNOWLEDGEMENT

Please confirm the above information is accurate (design, spelling, color, dimension, attachment, adds-on option, imprinting technique, packaging, delivery address etc.). Please note that we are not able to cancel or modify orders (including delivery address) once the orders go into production (after 7PM East Time on the day we receive your confirmation).

I acknowledge the above information is correct and I agree to accept all parts of this disclaimer.
